TO WHOM-SO-EVER IT MAY CONCERN

It is my pleasure to write on behalf of **Miss Maryam Yousaf**, D/O of **Mr. Muhammad Yousaf** for admission to the University of Bradford in Msc Project planning & Management who is working with **TxLabz** in the capacity of **Front End Developer** since **06 May 2019**.

I am her Team Leader here and I found her pretty active in whatever task I have provided. She is a confident person. She is professionally sound, hard working and a devoted staff. She has the motivation to take initiative tasks and we are gratified that she is helpful in the advancement of organization. As English is not our first language but she has an excellent English speaking and writing skills.

I highly recommend you to give her the opportunity to Study in University of Bradford. I am confident she will make an excellent addition to your university's community and she will never let you down in any matter.

I really wish her all the best in future endeavor.

Please feel free to contact me if you have any queries regarding her character or experience at Txlabz.
